

Wonde Proud External Car GPS/Multimedia Solution

Patena no.: M466838(TW), 3310836(CN) Vehicle Electronics Auto-switching the Display Device
 Integration of all Vehicle Electronics installed on your car, for example: GPS Navigation System, Driving Recording System, Speed Limits/Overspeed Warning System, Lane Departure Warning System (LDWS), Forward Collision Warning System (FCWS), Optical Parking Display.....etc.
 On behalf of safe driving, our patent allows the only display device to switch automatically among all Vehicle Electronics instead of letting driver switch manually during driving the car.
